Roger Price and Leonard Stern invented Mad Libs more than 50 years ago. They were also the co-founders of Price Stern Sloan.

This is a fun little book. It's pretty standard Mad Libs, but Steven Universe themed. Perfect for younger fans or for older fans who want to get a kick out of making Pearl swear.

Bought this as a surprise for my daughter who LOVES Steven Universe and to my surprise some of her friends had never done a Mad Lib before!! What? We're not all 90's kids?? I listened at the door as they filled a couple out and could barely contain my laughter. The things teen girls come up with. Hahaha. Definitely worth my money!

How do you get your kids to love Mad Libs? Buy Steven Universe mad libs! We've had so much fun

with these since Christmas- what a great buy. I've loved Mad Libs since I was a kid and I think it's great that they have specific ones that will engage kids that recognize those books/shows/etc.

Lots of laughs - a great gift choice for young SU fans. Our kids often play a round between rewatching episodes.

Very fun to do with Family & Older kids even join in since it outlines some of their favorite characters!

My daughter loves both Mad Libs and Steven Universe, so she was over the moon excited when she received this!
