Given how thorough this guide seems to be, all I would need to do is become more fluent in Danish, get my passport, and book my flight.

DK has the best illustrated travel books and this is no exception!

Great information. Got it for our trip to Denmark and the more I read it, the more I can't wait to go!!

Great book.

Excellent general guide to Denmark. Covers a lot. It is a little heavy to be taken traveling as a tourist, better to be studied ahead and left home. It is current and well-documented.

Love Eyewitness guides, have been a fan for 30 years.

I love all DK books, best travel guide anywhere.

Would have liked to have had more information on the island of Fano.
