This handbook has been compiled and written by Antony Brassell. He was born and raised in the Island and has lived there all his life. He spent a long career in the Civil Service, acquiring a wide knowledge of Guernsey and has a keen interest in the Island's heritage and culture, in a wide range of areas. He spent many years acting as the Island's native guide, within the Civil Service, and has escorted VIPs at the highest level, including a Deputy Prime Minister, when they have visited Guernsey. When he left the Civil Service, he established a local tour company called Experience Guernsey Limited and operated that business until 2008. He is now concentrating on his work as a Business Advisor with the Guernsey Enterprise Agency (www.startup.gg) and is also the Branch Office for IoD Guernsey. He builds, hosts and maintains websites for businesses and private individuals through the domain www.bestplace4u.co.uk and is a freelance writer. He is a single handicap golfer and in 2012 was Captain of the L'Ancrese Golf Club. His unique perspective on Guernsey through a lifetime based on the Island, and years of promoting the Island, make him an ideal Author of this Handbook. He has also promised to give an honest appraisal of Guernsey, explaining what works and what doesn't. Importantly if you are planning a stay on the Island, he believes that you should make the most of your time, seeing as much as you can while still taking

time to relax and enjoy the peace and quiet that is easily found on this beautiful British Channel Island.
