Book 4 of the Illustrated Moral Stories for Children series is just as good as delivering kids' picture adventure books as the other folklore, myths, and legends in the previous books in the series. The 15 eye-catching illustrations are appropriate as a bedtime story book for kids by all ages as they are attractive. These kids' short stories were great during a recent car ride in which my son read them to his younger sister and was able to use examples of the morals of the stories to things that happen in their lives today. "The Honest King" is a great addition to our collection of children's picture books for Kindle.

"The Honest King and Other Stories" was an adorable and educational read for me and my son. What I liked about this collections of kids short stories, and the other books in the series, is that it uses entertainment to teach kids about morality through life lessons and fun. The stories are fast-paced, use vivid imagery to tell each tale, have a bouncy tone and feature over a dozen vibrant illustrations to engage the eyes of children as you read to them. This is the fourth book in the Illustrated Moral Stories for Children Series and each one has proved to be great bedtime story books for kids by all ages, kids and parents alike. This is just one of those kids picture adventure books that just puts a smile on your face and leaves your kids grinning and eagerly reading along with you the entire time.

This is a great kids illustrated book and I was pleased with the amount of nicely done illustrations (15 of them as my granddaughter counted them). The author teaches a lesson regarding morals and it is done in a fun and enjoyable way so kids learn while
