Drawing Trees

Synopsis

In this book, William F. Powell invites you into his artistic world as he shows you how to render a variety of beautiful trees in pencil. The author explains a number of basic drawing techniques before exploring basic tree shapes and leaf types. As you learn how to draw branches, bark, and ground foliage, step by step, you'll also discover important tips about shading, creating textures, setting up compositions, and applying perspective—helping you develop your own tree drawings to their fullest potential. Helpful examples and essential information make this comprehensive guide a valuable addition to any artist's drawing library!

Customer Reviews

Dear Art Enthusiast, Today may be your first time using a Walter Foster art book, or it may be the continuation of a long-term relationship with our products. Either way, this book will delight you. Like all of our art books, this title was written with careful attention to detail. It includes detailed illustrations that will bring you a satisfying learning experience and hours of enjoyment. Walter Foster Publishing knows that artists are eager to learn, sharpen their skills and talents, and experience new artistic horizons. And while you may not be in a position to take private lessons, Walter Foster offers you the next best thing--step-by-step, do-it-yourself art instruction books that are entertaining and affordable. Our books are authored by some of the best artists in America, and you can be sure our quality standards and color presentations are at the highest possible levels. For 80 years, Walter Foster Publishing has been providing instructional art books and products to millions of enthusiastic artists who enjoy the rewards of learning to draw and paint. Most of all, we hope you

have fun in the process!

Recognized as one of America's foremost colorists, William F. Powell has taught art classes and workshops for 35 years in various art media. Today he is an extremely popular author, and he attracts more admirers each year with the numerous titles he has produced for Walter Foster Publishing, including Color Mixing Recipes, which he originally conceptualized, designed, and illustrated himself.

It's a Walter Foster publication, what's not to love! These books get down to business so you can hit the sketch book running, so to speak.
