I love the KJV Bible read by Scourby it is the BEST! However, I do not care as much for the dramatized version (with music,sound effects etc...) I thought I was ordering the regular just plain reading version but got the other, so pay attention to the fine print, if you see any, to make sure you

get the right thing. Otherwise, I highly recommend the Bible on C.D. We played it often in our sons hospital room when he was being treated for cancer, also at home. My daughter goes to sleep at night listening to it. It a great way to get God's Word into your mind.

Scourby only reads the Old Testament. Eric Martin reads the New Testament. Both readers good, but, advertising is misleading. Probably would not have bought if knew. Eric Martin is listenable, but that's not the point. MORE BAD NEWS Finally got yo listen to Song of Solomon and Ezekiel Song has different male and female actors readings their 'lines'. Terrible. Ezekiel has entire chapters that wont play on my players. DO NOT BUY. HOPE LOOKS INTO THIS. FALSE ADVERTISING AND INFERIOR PRODUCT.

I am so happy with my latest purchase of Alexander Scourby Bible-KJV with DVD. It is a beautiful album with a zippered leather case. Alexander Scourby is so easy to listen to, however the sound speed has been increased to get the Bible on a smaller number of CDs. You can not casually go about your work and listen to this CD set. You have to sit down and earnestly listen to every word, if you are serious about Bible study. I have had this same set on cassette tape for years. However, the tapes are beginning to curl and get broken from use and age. I have certainly got my moneys worth out of them. But, the CD set I purchased from will last me a lifetime. And I bought it for a GREAT price! I have always been happy with my purchases from . The service is fast and well packaged. In my opinion, they are still the best to buy from. Thanks so much !!

I'm happy with the experience I had with .com process. I love my new 60-CD on the Holy Bible. I look forward driving to work everyday listening to the Word of God and prepare me for the day ahead. Alexander Scourby has a great voice and he makes it easy to listen to and learn the Word of God. I'm happy that I finally decided that I needed to hear the Word daily so I may grow the promise of God and follow His ways. I highly recommend his CD collections. God bless you. Mercy

I can't thank the Lord enough for this rendition of the Bible. I listen to it while fixing meals, getting ready for the day, etc. Alexander Scourby reads with just enough inflection to make listening enjoyable. Also, I'm hearing some things that I haven't noticed before and others are being repeated and getting deeper into my spirit. No music in the background to distract. The CDs come in a very attractive and sturdy case--even good for traveling.

I am thoroughly enjoying Scourby's reading of the Bible. It's absolutely amazing and so well done. His tones, his inflections, his transitions are fabulous. I can see why it took him a year to complete this project. Listening is such a pleasure and simply wonderful. When I've tried to read the Bible on my own, I've gotten lost in it and just can't seem to stay focused like I need. With this reading, I am totally in tune. It's captivating and riveting. I'm learning so much and, with Scourby's assistance, I'm accomplishing a lifelong goal. It's fulfilling and one of the best things I have ever done in my life! This is worth so much more than the cost.

Like some of the others ...I had this on cassette tapes which were lovingly worn out !!!! Someone gave me the Dramatized version which is really fun....!!! I've had those for years now and having played some of my old tapes I am also purchasing this version again. Some parts I just like the words...not other voices...just his. They've done a great job on these tapes...like everyone else I have enjoyed them daily for years....Everytime you hear something newthey never grow old. Thanks...great job everybody...

It is my habit to play a different cd softly each night when going to bed. When it first came I started with cd 1 of the New Testament and then on through. Next began with Genesis and did the same. This is a wonderful way to listen to God's Word. Alexander Scourby's reading is perfect. Had used a NIV version with different voices and that was okay but the loud and quite sounds were a bit annoying from time to time. I do recommend you try this practice. If you go to sleep listening to the Word being read -- Good. If you can't sleep and hear the Word being read -- so much the better.
