This is low carbohydrate diet. Atkins diet greatly help in losing weight. I learned the working of this diet. This book covers several benefits includes increase HDL levels, reduce risk of heart disease, reduce insulin and blood sugar levels. There are delicious recipes for breakfast, lunch and dinner. This is very good book for beginners. I highly recommend this recipe book.

I do think that the book is very interesting. I appreciate that it gave simple and easy to prepare recipes that are perfect for you and your family. I just wish that there are more unique recipes in the book.

If you follow the diet, it works. I lost about 10 lbs in first 2 weeks.

No carb count on recipes.

Very low on recipes and very high on lecturing.

Best and most effective diet book.... This will give a very good result in a very short period!!!
