An Unsuitable Boy

Synopsis

Karan Johar is synonymous with success, panache, quick wit, and outspokenness, which sometimes inadvertently creates controversy and makes headlines. KJo, as he is popularly called, has been a much-loved Bollywood film director, producer, actor, and discoverer of new talent. With his flagship Dharma Productions, he has constantly challenged the norms, written and rewritten rules, and set trends. But who is the man behind the icon that we all know? Baring all for the first time in his autobiography, *An Unsuitable Boy*, KJo reminisces about his childhood, the influence of his Sindhi mother and Punjabi father, obsession with Bollywood, foray into films, friendships with Aditya Chopra, SRK and Kajol, his love life, the AIB Roast, and much more. This book is both the story of the life of an exceptional filmmaker at the peak of his powers and of an equally extraordinary human being who shows you how to survive and succeed in life.

Customer Reviews

Karan Johar is one of the leading directors, producers and writers in the Hindi film industry. He is the son of a much-respected film producer Yash Johar, who set up Dharma Productions. Over the years, Karan has built Dharma into a powerful and flourishing entity. He began his tryst with filmdom in 1995 as an assistant to film-maker Aditya Chopra on the sets of *Dilwale Dulhania Le Jayenge* (1995). Subsequently, Karan made his debut as director with *Kuch Kuch Hota Hai* (1998), which went on to become a blockbuster. He has directed six major films and produced over twenty. He also began a celebrity chat show on TV in 2004, *Koffee with Karan*, which became a runaway hit. In

2007, he was chosen as one of 250 Global Young Leaders by the World Economic Forum.

Poonam Saxena is a journalist with Hindustan Times, where she is the editor of the Sunday magazine.

it seems that Karan Johar has revealed many secrets of his life. He has expressed his thoughts in this book than his biography. Karan Johar has written everything from his point of view. I was eager to read about a little girl in Kuch Kuch hota hai, but he has not mentioned a single word about that girl. Overall it is a good book. Many things we should learn from Karan Johar.

Very nice and honest account really enjoyed it .could relate to most of it since I grew up in the 90"s in india myself .

It had all the juicy inside perspectives you'd expect of the Bollywood mogul. Couldn't put it down and made me love him even more.

I felt as if I was listening to his life story. I finished this book in exactly 5 hours. I was engrossed in his life story. I felt this book was his most honest reflection of his own life. Brilliant

I enjoyed reading his journey from a confused school child to the biggest director of Bollywood.....a very interesting career growth

Great book.. enjoyed it a lot. Just shows how a little self confidence can go a long way. Kudos to KJO for penning down his most deepest thoughts, feelings and insecurities.

I liked the book. It was a good insight into Karan Johar's life.I've always been a fan and liked him but after reading this book, I have immense respect for him too.

A success story that grabs eyeballs simply because it happens to be a spectacular success. Not too deep not too shallow. It has what it needs to have to keep you engaged.
