This book is interesting and I purchased this book a few weeks ago. I purchased this book from the wake of my curiosity. Inside of this book I have found some fun riddles. We can easily bamboozle anyone by these fun riddles. Inside of this book I have found a section that is especially for the kids. I really enjoyed this book. Inside of this book I have found a section of riddles by famous authors. There are also quick and silly riddles inside of this book. A lot of collection I found in this book and I really liked most of them. If you want to try to solve these riddles, then I am pretty sure these riddles will give you much fun. I am really glad to read this book.

I enjoyed every riddle on this book. I felt more like a detective solving mysterious cases. I can't wait to use this to my students before I start with my lessons. I believe this will serve as a good warm up for them to think better in the class. It will be more fun to start with something exciting like playing riddles.
