Customer Reviews

Really, what is there to say, if you like David Lanz, then don't wait, just order this book. You will enjoy the music that awaits you inside of it for hours.

I love David Lanz' music - the harmonies are so simple, yet the variations are stunningly complex in their structure.

Wonderful for advance player.

I don't like this as well as the other book I have of his: THE DAVID LANZ COLLECTION.

One of my favorite books to play from. The melodies are enchanting and inspiring. For the most part, the book is not too difficult, though the arrangements (Nights in White Satin, A Whiter Shade of Pale, etc.) will offer much more challenge than many of the other pieces. Definitely recommended for anyone with an interest in the piano.

Great transaction. I love the book. It came in a timely fashion and was as described. Thanks.

Love the book it follows the Cd precisely. I even have played my piano along with the CD. I am fortunate my piano is tuned to the same pitch as the CD.

Fast shipping, great product
