Customer Reviews

"Everything you always wanted to know . . . and then some: places to stay, restaurants, folklore, art, natural and man-made attractions, shopping." --Travel and Leisure (Praise for the Insiders' Guide series)

Insiders' Guide to the Twin Cities offers travelers, newcomers, and locals the most comprehensive information on what's happening in the urban communities of Minneapolis and St. Paul. This area of Minnesota, known for its natural beauty and historic charm, is home to twenty-two lakes within the cities' borders, an active arts district, wildlife preserves, attractions for kids and adults, and a variety of year-round recreational activities. Use this guide to discover the region's cultural history as well as opportunities for fun, dining, shopping, and adventure.

Someone tried to write a Twin Cities version of the Natives Guide to Chicago and failed miserably. This book can be summed up as a list of the places the author knew in the Twin Cities. There does not appear to be any real research of the content that was done. There are significant items missing

in all sections of this book. Do Not Waste your Money!

I used this to orient me to the Twin Cities on a week-long stay for a conference, and the book was a terrific resource. I wanted to venture off in my rental car and sightsee, and also, make like the residents eating, drinking, and appreciating neighborhoods. This urban guidebook was excellent. It really primed me for where to go, and also, I had some terrific meals along the way. Made me want to return to the Twin Cities again someday.
