Customer Reviews

This book is one of the best purchase for anyone who want to know more about becoming vegan. These recipes are quick and easy, all vegan and brilliant. I hope I have enough time to try all those tasty recipes. I strongly recommend this book.

Recipes are really instant, easy to prepare. Instructions are plain and simple. Anyone with or without proper knowledge in the kitchen can easily follow through. The recipes are okay. I like most of them!

Fabulous. I'm not really a genuine veggie lover - but rather I have made and delighted in huge numbers of the recipes in this book. I am amazed to read Vegan diet benefits. I made Creamy breakfast porridge, it's light, great and fresh. I will attempt all the more soon. Elegantly composed, simple to take after headings. A keeper, for sure.

Mmm.. this is my love! Really healthy and easy to cook recipes. I am a vegetarian and sometimes I am lacking tasty vegetarian recipes. But now this cookbook is my best friend at the kitchen!
