# Uluru: Kata Tjuta And Watarrka National Parks (National Parks Field Guides)

## Synopsis

This handy guide is your key to the secrets of the most famous National Parks of Australia's Red Centre. It will tell you about the area's pre-history and origins, its geology and landforms, its plants and animals and how they live. It also unlocks the door on its human history, especially of the Aboriginal people whose culture is so much a part of it.

## Customer Reviews

Uluru Kata Tjuta & Watarrka reflects its overseas origins and while the specific focus on Australian points of interest may not appeal to all, it will prove essential for any in-depth travel collection focussing on Australia. Numerous maps and plenty of color photos capture wildlife and scenic attractions alike. -- Midwest Book Review

A gorgeous, informative, crisply written guide to Australia's most famous national park and landmark. Bravo!

excellent

A great book that gives a good insight in the geology, mythology, history flora and fauna of the National Park.
