Priscilla Shirer is a wife and mom first, but put a Bible in her hand and a message in her heart, and you'll see why thousands meet God in powerful, personal ways at her live events. With a Master's Degree in biblical studies from Dallas Theological Seminary, Priscilla brings the depths of Scripture to life. She is the author of best-selling Bible studies, including *The Armor of God*, *Gideon*, and *Jonah*, as well as the author of many books, including *Fervent* and the New York

Times best-seller *The Resolution for Women*. She and her husband, Jerry, lead *Going Beyond Ministries*. They count it as their greatest privilege to serve every denomination and culture of the church. Â

Better than I could have ever imagined.....all though out the book it spoke to me exactly where I am, waiting and trusting in God for the promise of a miracle He made to me 3-5 yrs ago. Still Waiting!! I ordered the Kendell version, but then order the paperback version so I could write down notes in it's margin! Feeling truly Blessed. Thanks so much!!

I absolutely love Priscilla Shirer!! She is such an honest, thought-provoking, and encouraging teacher!! This study is wonderful and has opened my spiritual eyes regarding how God speaks to us in ways we don't always recognize. I look forward to checking out other studies she has done!!

This study is exactly what we were looking for. A few of my friends and I wanted a study geared towards hearing God more in our daily lives. As in her other studies Priscilla provides a an easy to follow guide that puts you in the Word. I get something every day from it not just at the end of each week. We are not watching the videos and I am still getting so much from it.

Excellent product and a good price. No S&H was a PLUS!

This bible study literally leapt off of the bookshelf at my local Christian bookstore. Even though I worked through the content individually, I looked forward to my study time each day. This study is intended to be utilized in a group setting with a bit of dvd content, but I was successful without those components. I enjoyed it so much, that I purchased another copy off of for a friend. I absolutely cannot give this review enough stars. Allow Priscilla to bless you today!

Love Pricilla!

It was a well written Bible study!!
