Best Sellers Rank: #722,124 in Books (See Top 100 in Books) #117 in [Books > Crafts, Hobbies & Home > Antiques & Collectibles > Houseware & Dining > Furniture](#)

Customer Reviews

Excellent book

I purchased this book for the design drawings of the most expandable/versatile table perhaps ever made!" Table Maximus " is the table for those in need of seating a LARGE group of people!!!

Great help in woodworking.

I wanted to make the slant top desk but needed the prints to make it. This book was perfect and many more projects will come of it.

Great photos and nice plans.

Not quite the detail that I was looking for but still a nice guide for building country furniture. Not for the novice.

This is a fantastic reference book for me. I use it daily to double check my work as I am a novice at

chairmaking.

Modern shaker designs. I don't need hand holding to execute these design . Timeless design
