Customer Reviews

A very interesting and wonderful retelling of the "Sleeping Beauty" Fairy Tale. I enjoyed it immensely! Demelza even connected this tale with her Beauty and the Beast story by mentioning the isle where the Prince (Beast) lived was where Queen Margaretha was from. I will now move on to Cinderella's story!

This was such a sweet, sad, but glorious story with a wonderful ending. I love retold fairytales and this did not disappoint. I highly recommend it.

A masterfully told tale of Sleeping Beauty. This is probably more like the original tale than the version that are so popular today. Enjoy.

Another retelling done excellently by Demelza! I love these redone fairy tales, and look forward to each new one. Great job!

I really enjoyed this book. I liked the storyline and the characters. It was well crafted and well worth reading.

This is a new to me author and I have to say I love her books. Who doesn't love Fairy Tales, and now we have our childhood Fairy Tales grown up.

It was pretty good. A little rushed, and short. But still an interesting take on an old fairy tale. GOOD idea.

Demelza did a great job writing this book. I found it very enjoyable and I'm looking forward to reading more by this author. Nicely done!
