# The Tell-Tale Heart

## **Synopsis**

It was the eye. The dull, sightless, vulture's eye that shredded his final nerve. But the murder was done so carefully, so perfectly, that only one thing could reveal the whereabouts of the body. B. J. Harrison gives a masterful reading of the famous murder that wouldn't keep quiet. This audiobook was the #3 best-selling audiobook in 2008 at the iTunes Music Store!

Love Edgar Allan Poe! My favorite author and poet! The tell tale heart gives me the chills all over!

Amazing :)

You can't go wrong with this short story about two men. One elderly and one insane. There's a reason Poe is called "The Master of Macabre"! This story is dark and suspensful.

A beautify written classic with a terrorizing plot about madness and the insanity of the human race it will always be classic.

A great classic by Poe. Used it for junior high literature and it was a hit. Students love scary stories.

I liked pretty much the whole thing of the book but some of it was a mystery oh well all that matters is it was a great book.

I gave this book a 5 star. I thought it was pretty good. It is a short, yet interesting book.

loved this book- too bad i couldn't grasp the importance when I was in grade school but it is a nice short read as an adult!

good
