The Days Of Elijah, Book Two: Wormwood: A Novel Of The Great Tribulation In America

Synopsis

Everett and Courtney Carroll have survived the Seven Seal Judgments which devastated the planet through a global earthquake and a massive bombardment of meteors. The cities of the earth lie in ruin, and much of the globe's forests have been destroyed by widespread forest fires. But have their efforts to stay alive been in vain? The next series of judgements to fall upon the earth are known as the Seven Trumpets. Within this series of cataclysms is the earth's collision with a giant asteroid, known as Wormwood. The comet will poison much of the planet's fresh water supplies, making survival near impossible. Undeterred by the global chaos, the supreme leader of the Global Republic, Angelo Luz, pushes forward with his plans to eradicate his empire of dissenters. In the midst of the mayhem, he sends forth his armies to wipe out the remnant of true Christians as well as the growing number of Messianic Jews. With each subsequent Trumpet Judgement and every passing day, Everett and Courtney's odds of living grow slimmer. If they are to survive, they'll need perseverance, faith, and a great outpouring of providence from The Almighty. As with all books by Mark Goodwin, this book contains no profanity and no embarrassing sex scenes. However, if you're offended by conservative principles and references to Scripture, this book might not be for you.

This is number two book in The days of Elijah. The series continues after the Days of Noah. This series has the people not raptured in the days of Noah. Everett and Courtney, Kevin and Sarah. Plus Elijah. I am going to quit writing cause I will spoil the story line if I don't. Get his books! They are excellent! I will say at the end of this book the other of the two witnesses shows up at Elijah's place. Which means it is almost time for them to go to Israel. I can't wait for the next book!

I read this book in about one day! It is what I have done with all the books by this author. You just can't put it down and then there is the wait for the next book in the series. I am already in anticipation of the 3rd book. Along with great characters there is the info about prepping for when times are tough and food is scarce. The most interesting aspect for this reader is the story line based on scripture. I enjoy reading them at the beginning of the chapter. There are many different theories about the rapture and the tribulation period. Regardless of when you think people will be going through this time it is in the bible and will happen someday.

This is a great addition to the series. It definitely keeps you in suspense. The author's way of working out the meanings of the events in Revelation is interesting and makes you want to research it more (which isn't to say I necessarily think this is how it will all work out, but the author stated it wasn't his goal to make a theological textbook or a commentary or explanation of what the Bible says will happen. It's fiction, and very good, entertaining and meaningful fiction). Definitely a book I would recommend to fans of the genre, and I can hardly wait for the last book in the series!

I am totally hooked on this series. A continuation from The Days of Noah this series has me anxiously awaiting the next book. Even though I know who wins in the end the author has a way of making you really care about the characters and keeps you engrossed in the story.

Never heard of this author but it was a good book. Many Christian authors write cheesy stuff but this is suspense, thrills, and drama. It is well-written and if you like this type of writing then you'll enjoy it I'm sure.

The book gets in to a little too much detail and focuses too much on combat interactions, but I'll be

buying the next book in the series, which is an endorsement. Oh, and get ready for winking. The one problem the author has in this entire series is everyone is winking at each other. I haven't quite figured that out yet. Hopefully author will catch that in his future books.

I really like the way Mark Goodwin intersperses scripture with an exciting story line. I feel like I am right there in the midst of the trials and tribulations our friends are enduring. I am anxious to read the final book of this trilogy. Thank you for making it obvious that we need to stay alert and tell others about Jesus' sacrifice and gift for us before it is too late.

I know none of this is prophetic, just a story, but it is thoroughly enjoyable and entertaining. Having Elijah there with the group, and now Moses adds a wonderful twist. I highly recommend these stories.
