City Farmhouse Style: Designs For A Modern Country Life

Synopsis

Come along on the hunt to coveted country sources and the best secret antiquing spots, and learn how to create country farmhouse style in your city dwelling. Author Kim Leggett is the creator of City Farmhouse, an interior design business, pop-up antiquing fairs, and vintage store. She is also a legendary “picker” and favorite designer to celebrity clients (and country-style mavens) including Meg Ryan, Ralph Lauren, Sheryl Crow, and Phillip Sweet and Kimberly Schlapman of Little Big Town. In *City Farmhouse Style*, Leggett offers great style advice, breaking down the design vocabulary that makes for fresh country style (no matter the setting). The popularity of farmhouse style has designers, home-owners, and fans in search of inspiration to create this look in all its rural glory. *City Farmhouse Style* is the first design book of its kind to focus entirely on transforming urban interiors with unfussy, welcoming, country-style decor.

Customer Reviews

"As the editor in chief of *Country Living*, a brand with design-loving readers all over the country, I've seen firsthand how the demand for all things farmhouse has grown exponentially over the past few years . . . Farmhouse Style seems to resonate everywhere, from the neon lights of Times Square to one-stoplight town squares, and for good reason: A farmhouse table or an apron sink work just as well in an urban loft or suburban Tudor as they do in a country farmhouse." (From the foreword by Rachel Hardage Barrett, Editor in Chief, *Country Living*) "Kim has such a great eye for all things farmhouse style. I look to her for design inspiration and for the perfect

treasures to warm up my home. Nashville loves her and so do I! (Kimberly Schlapman, Singer-Songwriter and Member of the Grammy Award-Winning Band, Little Big Town) “Who would have thought that farmhouse style would be the most sought after look for twenty-first-century home decorators? With Kim’s tips and style inspiration anyone can bring country to the city with ease. (Sheryl Crow, Grammy Award-Winning Singer-Songwriter)

Kim Leggett is a sought-after interior designer, successful retailer, and the author of the bestselling Leggett’s Antiques Atlas series. She lives in Franklin, Tennessee, and can be found at cityfarmhousefranklin.com.
