Suzi Barrett is an actor/writer living in Los Angeles. She performs and teaches at the Upright Citizens Brigade theatre, and plays Kirby's mom on the Disney XD show "Kirby Buckets." Other TV credits include "Drunk History," "@Midnight," "How I Met Your Mother," and a few million commercials for everything from Progressive (car insurance) to Esurance (also car insurance). Writing credits include "Wipeout," "America's Next Weatherman," and many secret love letters to her dog. She's currently developing a pilot based on her web series "I Hate California," and can be seen in the Christopher Guest movie "Mascots." She also apparently LOVES quotation marks.

I love the design of all the cards that came in the deck! they really do help cheer me up when im having a challenging day. Im thinking of using these cards with clients in my current placement. I think that they will enjoy reading them and looking and the great art on the cards. Plus they are not the typical affirmation cards some of them are really quirky and I love that about this set. Nothing is

the "normal" type of affirmations, that is what makes these so much better than other types!

Adorable and witty cards. Perfect to round out a not so happy tarot reading or just to uplift your day.

Really well written and thoughtful cards, with charming illustrations. Witty and make me smile all the time. Do recommend! My only slight complaint is the box the cards come in for storage, rather easily comes loose and all the cards can come out. But not a big deal.

Best affirmations EVER!!!! They've changed my life and I found them thanks to Jhene Aiko (singer) and I've even had a few friends go and purchase their own affirmations cards! They're awesome to share with others!

Great concept! Item came in perfect condition. I love the cute illustrations! Each one is unique and is extremely uplifting when I'm feeling down. Highly recommend.

These were super cute and a fun way to start the day. When you're down all you need to do is just pick up one of these cards and start thinking positive.

These cards are a cute, fun, lighthearted way to build your self-confidence.

I love them so much, I bought another pack. I give a card as a gift inside my packages.
